

Usu is value for money. It is the obvious choice for the price conscious customer who is still requiring simple aesthetics, space-saving attributes and ease of handling. It is developed for multi-usage canteen and training areas. The concealed castor solution and the chair hanger system adds even more to the ease of handling. The legs are folded in pairs by a simple and secure spring-handle and the sub frame can be used as carriage handle. The table's simple and elegant aesthetics make it compatible with other furniture styles.
