DESIGN STUDIO CASALA

DESIGN LINKED TO FUNCTIONALITY

Casala specialises in the production of stylish contract furniture that excels in both design and functionality. "Design linked to Functionality" is deeply rooted within our DNA and plays a major role in the design process. We work together with leading designers in our industry. More than a hundred years of experience in furniture guarantees that Casala furniture offers a lot of comfort and ease of use in addition to high quality.

A folding tabletop and a solid, floating frame make Labda Fliptop the ideal table for rooms with changing configurations. Labda Fliptop can be stored nested for optimal space saving. The folding mechanism is very user-friendly so that the tables can be set up and removed in no time.

NL

Een stijlvol inklapbaar tafelblad en solide frame maken Labda Fliptop de ideale tafel voor ruimtes met wisselende opstellingen. Labda Fliptop kan genest opgeborgen worden voor een optimale ruimtebesparing. Het klapmechanisme is zeer gebruiksvriendelijk waardoor de tafels in een mum van tijd opgezet en weggeruimd worden.

DE

Eine stilvolle faltbares Tischsystem mit einem soliden Rahmen machen Labda Fliptop zum idealen Tisch für multifunktionale Räume. Labda Fliptop kann für optimale Platzeinsparung gestaffelt gelagert werden. Der Klappmechanismus ist einfach und benutzerfreundlich, so dass die Tische mit wenigen Handgriffen auf-, ab- und umgebaut werden können.

FR

Son impressionnant plateau abattant et sa structure robuste et aérienne font de Labda Fliptop la table idéale pour les espaces aux configurations changeantes. Labda Fliptop s'encastre lors du stockage, pour un gain de place optimal. Le mécanisme flip-top, très facile à utiliser, permet de configurer et déplacer les tables très rapidement.

MELAMINE, HPL & POWDER COAT INFO

The standard Casala tabletop collection consists of 13 standard colours divided between melamine & HPL and Fenix NTM. With melamine & HPL there is a choice of 1 x finish with smooth structure (VV), 3 x solid colours (SD) and 6 x wood finishes with grain structure (NW). The melamine and HPL options are produced by Pfleiderer and are carefully selected from the Duropal, Wodego and Thermopal collections.

With Fenix NTM, there is a choice of 3 matt structures. The Fenix NTM properties not only provide a soft feel matt surface, but also hides fingerprints and allows small superficial scratches to repair themselves.

Casala is certified according to international quality marks PEFC™ or FSC®. These quality marks guarantee all wood- or wood based products, in our powder coats, are originated from sustainably managed forests. Ask for our PEFC™ and FSC® certified products.

POWDER COAT INFO

The powder coating used, does not contain toxic substances or components that hold heavy metals. During the production process, the redundant powder is intercepted and re-used in our production process.

Powder coating colours that are not standard to the Casala collection can be used at the customer's request.

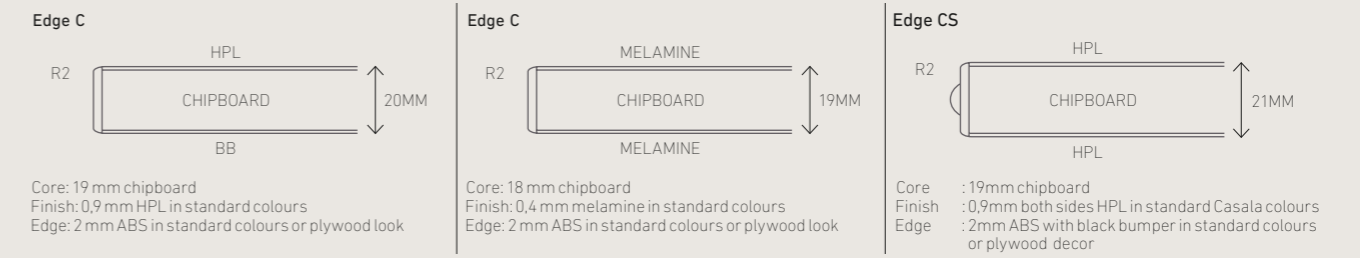

TABLETOP SHAPES

The colours in this publication may differ to the original product. We recommend requesting a product sample via www.casala.com/samples.
