PEARL BY NEVOTEX

PEARL – AN EFFECTFUL FABRIC WITH CLASS

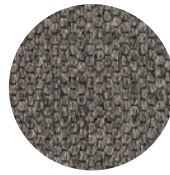

Pearl with its strong technical qualities and modern design, creates a beautiful and strikingly impression on both screens and soft seating. Earthy tones and a beautiful glow that sometimes gives the visual feeling of metal are both found in the textile's wide colour range.

HUSH BY GABRIEL

HUSH – DISCRETE ELEGANCE

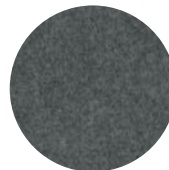

Hush is the perfect textile for screens thanks to its ability to blend in with other furniture with its sophisticated melange effect, all while giving a welcoming impression. Hush is made of a polyester and viscose blend. A mix between White and coloured fibers creates the fabrics soft colours structure, which softens rooms and gives them style and personality.
